why should I spa?

The International SPA Association, ISPA, defines the Spa experience as "your time to relax, reflect, revitalize, and rejoice." We also aim to deliver you an experience that incorporates elements that have been used in Thai health and beauty rituals for thousands of years.

I've never been to a Spa before. Can someone help me choose the most appropriate treatments?

Any member of our Spa team is available to discuss our range of treatments with you. We will help you meet whatever objective you have, whether to detoxify, energize, improve skin clarity, improve skin tone or just to relax. We also have a range of Ayurvedic therapies for those guests whom wish to try treatments with a local influence.

Can I have more than one Spa treatment in a day?

Yes. Many Spa treatments work in synergy with each other. This means the therapeutic effects can be extended and improved by having more than one treatment on the same day.

What if I have a health condition or any health concerns?

We ask that you notify a member of our Spa team prior to your treatment. Please note it is extremely important to advise if you are pregnant or suffer from high blood pressure.

Should I eat before my Spa treatment?

As many Spa treatments improve blood circulation and use pressure techniques we advise against eating a heavy meal before your treatment. A light snack is appropriate if you are hungry.

We strongly advise against the intake of alcohol before any Spa treatment.

What skin care products will you use in my treatment?

Rest assured that all of our products are gentle on your skin. Where possible we use plant based, organic, biodynamic products that are hypoallergenic. We have different ranges to meet specific needs

for further information or reservation please contact akiira spa on extension 2.

spa etiquette

What should I wear to the Spa?

All of our luxuriously appointed treatment rooms are equipped with changing facilities. Feel free to wear your robe provided in your hotel room.

What should I wear during my treatments?

We recommend that your Spa treatments be enjoyed without clothing. However, we respect your privacy so disposable undergarments will always be offered. Please be assured that areas of your body that are not involved in the treatment will be draped at all times.

Is there a minimum age requirement?

Guests 12 to 16 years of age are permitted to experience selected spa treatments if a guardian of the same sex accompanies them. Note that the guardian must be present throughout the entire treatment. Guests under 12 years are not permitted in the spa.

Is it necessary to arrive early for my treatment?

We ask that you arrive 10 minutes before your appointment time to allow yourself time to relax and to complete a health questionnaire which will help us personalize your spa visit.

What if I am running late for my appointment?

To ensure we give the best possible experience to all Akiira guests, if you are running late your treatment time will be shortened to ensure the next guest is not delayed. The full price of the treatment will be charged.

What do I do if I need to cancel my Spa treatment?

All bookings must be guaranteed to either your hotel room or with a valid credit card.

Any treatment cancelled without a minimum of 3 hours notice will incur a charge equal to 100% of the value of the treatment(s). Failure to arrive for your scheduled treatment will incur a charge equal to 100% of the value of the treatment(s).

How do I pay for my treatments?

We accept cash (Thai Baht only) and all major credit cards. You can also charge all Akiira treatments and services to your room account.

Is there anything else I should know so I can have the best Spa Experience?

This is your time to relax and rejuvenate. Please let your therapist know if they can improve your comfort during your treatment. We advise against bringing electronic devices, (including mobile telephones) into the Spa area as these detract from your experience and also interrupt other guests in their enjoyment of the Spa.
