

New Star going GREEN

Our environment. Our responsibility.

It is no secret more and more travelers are choosing to stay with eco friendly hotels that have a commitment to environmental stewardship.

New Star Beach Resort is conscious that the actions of each and every one of us have an impact on the environment.

We have a Green Team in the hotel, which act as the Green Eyes of the hotel. It comprises of 15 members from different departments, who are nominated by their respective departmental heads. Besides assisting in the various programs, they implement and audit the environment practices in their respective departments. They are also empowered to conduct training classes in their areas and go on inspection to various departments. With the help of the Green Team, not only is wastage in our hotel, has been kept to a bare minimum, but also every employee is kept well-aware of his/her environmental commitments.

What we do?

- Recycling of paper, plastic, card board, glass, waste cooking oil, toner cartridges
- Dual flush toilets to save water
- Installation of low energy light bulbs
- Re-use towels on guest request
- On going environmental and awareness training
- Have a dedicated environmental group driving forward new initiatives
- Organic garden that grows many vegetables, herbs and fruits for our guests
- Make compost out of cut leaves, branches, grass to use as fertilizer for our garden
- Water saving campaign
- Keycard systems control lighting, heating and air coolers when room not in use
- Daily beach clean-up

What you can do while staying with us?

- Participate in hotel linen programs, or let the hotel know that it's not necessary to change your sheets and towels every day
- Reduce the amount of water you use for bathing or showering
- When you leave your hotel room, turn off the AC/heat, lights, TV and radio and close the drapes

Awards

- Green Leaf Award
- Health Hotel by Green Leaf Foundation
